

AMPP Internal Corrosion: Internal Corrosion Technologist Exam Preparation

International Certification Preparation

QGT-CRT-150 | Certification prep | 5 or 10 days | Online, classroom, in-house

Course overview

A structured exam preparation programme for AMPP Internal Corrosion. You work through the body of knowledge, the referenced codes and standards, timed practice questions and exam technique, with an instructor who has prepared candidates across the Gulf and Africa. Eligibility, exam booking and the certificate itself are handled by AMPP.

What participants will be able to do

- Understand the AMPP Internal Corrosion exam format, eligibility rules and body of knowledge
- Navigate the referenced codes and standards quickly and accurately
- Solve the calculation and look-up questions that appear most often
- Manage exam time with a tested question strategy
- Leave with a personal study plan for the weeks before the exam

Who should attend

Professionals planning to sit the AMPP Internal Corrosion exam within the next six months, and supervisors who want their teams certified.

Course outline (5 days)

Day 1: Exam scope and eligibility

Body of knowledge, exam format, eligibility and booking

Day 2: Core references, part 1

Close reading of the referenced codes and standards

Day 3: Core references, part 2

Remaining references, tables, formulas and look-ups

Day 4: Calculations and practice questions

Timed question banks with worked solutions

Day 5: Mock exam and review

Full-length mock exam, scoring and personal study plan

What the 10-day edition adds

Day 6: Applied project, part 1 – Apply the week-one methods to a case from your organisation

Day 7: Data and digital tools – Software, spreadsheets and digital tools used in practice

Day 8: Lessons from incidents and audits – What investigations and audit findings teach

Day 9: Applied project, part 2 – Complete, test and refine your solution

Day 10: Presentations and final assessment – Present to the group and complete the final assessment

Fees (USD per participant)
