

API 510: Pressure Vessel Inspector Exam Preparation

International Certification Preparation

QGT-CRT-101 | Certification prep | 5 or 10 days | Online, classroom, in-house

Course overview

A structured exam preparation programme for API 510. You work through the body of knowledge, the referenced codes and standards, timed practice questions and exam technique, with an instructor who has prepared candidates across the Gulf and Africa. Eligibility, exam booking and the certificate itself are handled by API.

What participants will be able to do

- Understand the API 510 exam format, eligibility rules and body of knowledge
- Navigate the referenced codes and standards quickly and accurately
- Solve the calculation and look-up questions that appear most often
- Manage exam time with a tested question strategy
- Leave with a personal study plan for the weeks before the exam

Who should attend

Professionals planning to sit the API 510 exam within the next six months, and supervisors who want their teams certified.
