

Intellectual Property Management

Government, Legal & Public Sector

QGT-GOV-117 | Foundation | 5 or 10 days | Online, classroom, in-house

Course overview

Intellectual Property Management is an introduction that builds a solid working knowledge in Intellectual Property Management. It covers the principles, the requirements of international public-sector frameworks and GCC regulations, and the practical methods used on site, with case studies from operations in the Gulf, Africa and worldwide. Available online, in the classroom in 60 cities, or in-house.

What participants will be able to do

- Explain the principles, terminology and scope of Intellectual Property Management
- Apply the relevant requirements of international public-sector frameworks and GCC regulations
- Use practical tools, checklists and calculations with confidence
- Recognise common problems, risks and root causes and choose the right corrective action
- Prepare an improvement plan for their own site or organisation

Who should attend

Designed for government officials, legal advisors, compliance officers and policy teams, new joiners and anyone who needs a solid grounding in the subject.
