

Leading Change & Transformation: Practical Workshop

Leadership & Management

QGT-LEA-145 | Practical workshop | 5 or 10 days | Online, classroom, in-house

Course overview

Leading Change & Transformation: Practical Workshop is a hands-on workshop built around exercises and real site problems in Leading Change & Transformation. It covers the principles, the requirements of leading management research and international best practice, and the practical methods used on site, with case studies from operations in the Gulf, Africa and worldwide. Available online, in the classroom in 60 cities, or in-house.

What participants will be able to do

- Explain the principles, terminology and scope of Leading Change & Transformation
- Apply the relevant requirements of leading management research and international best practice
- Use practical tools, checklists and calculations with confidence
- Recognise common problems, risks and root causes and choose the right corrective action
- Prepare an improvement plan for their own site or organisation

Who should attend

Designed for executives, managers, team leaders and high-potential staff who want practice rather than theory.
